PROGRAMS AND EVENTS

**Sunday mornings
from 10:30 to 11:00 AM**

Calling kids of all ages—Join Sylvie, Shirel, Galona (our *shinshinim*) and BT Teens for an interactive, awesome and meaningful meeting where we will exercise, hand on arts and crafts, cooking, dancing and lots of *kef* (fun).

This program will be delivered on Zoom. For Zoom information and passwords, please email [Shirel Barkan-Slater](mailto:Shirel.Barkan-Slater).

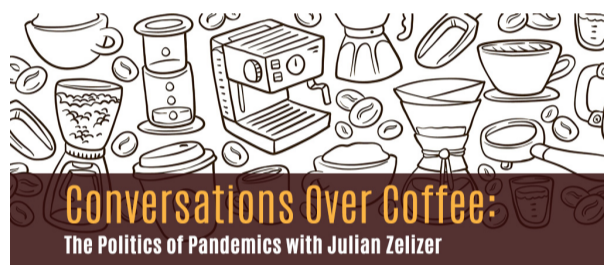

**Sunday afternoon, April 19

There is not a single Israeli who does not know the name and the heroic actions of Eli Cohen, who worked as a spy to help protect the State of Israel. Join our *shinshinim*, Gal and Alona, for a journey over six sessions to rediscover one of the most important characters in the history of the nation.

Before each meeting, the community is encouraged to watch an episode of *The Spy* presented by Netflix. Together, we will discuss the thoughts, feelings and possible effects on the Israeli society.

Pandemics are a rare but frightening aspect of human existence, exposing the greatest and least traits of nations and communities. While we all continue to acclimate to life in a Covid-19 reality, **Julian E. Zelizer**, a professor of political history at Princeton University and contributor on CNN, joins Rabbi Steven Wernick to discuss the historical impacts on pandemics on political systems, and how the current Coronavirus outbreak is affecting society today.
