

## Yod – Hay – Vav – Hay - To the Tune of “YMCA”

Haman, Mordecai won't kneel down  
I said, Haman, Esther now has the crown  
I said, Haman, though you're in Shushan town  
There's a need to be so happy

Haman, there's a place you can go  
I said, Haman, it's called the tree of woe  
You can stay there and I'm sure we won't mind  
It's a day to have a good time

It's fun to pray unto Yod – Hay – Vav – Hay  
It's fun to pray unto Yod – Hay – Vav – Hay  
Now that we have Purim  
For the Jews to enjoy  
How's it hanging with all the noise

It's fun to pray unto Yod – Hay – Vav – Hay  
It's fun to pray unto Yod – Hay – Vav – Hay  
You can plot with the king  
You can make a good deal  
Esther's secret will soon reveal

Haman, so you issue a decree  
I said, Haman, how chutzpadik can you be?  
I said, Haman, you can make all your schemes  
But you've got to know there's one King

No man, just get over yourself  
I said, Haman, put your plans on the shelf  
because Esther, gives her secret away  
Mordecai can't help but to say

It's fun to pray unto Yod – Hay – Vav – Hay  
It's fun to pray unto Yod – Hay – Vav – Hay  
Now that we have Purim  
For the Jews to enjoy  
How's it hanging with all the noise

It's fun to pray unto Yod – Hay – Vav – Hay  
It's fun to pray unto Yod – Hay – Vav – Hay  
You can plot with the king  
You can make a good deal  
Esther's secret will soon reveal

Haman, chapter 3 brought the news  
You said, “I want to do away with the Jews”  
You felt no man cared if they were alive  
But what changed the world - chapter five

That's when Esther came to the king  
And said, “hey man, have a banquet with me  
I will prepare - call Haman right away”.  
Now you're hamantaschen today

It's fun to pray unto Yod – Hay – Vav – Hay  
It's fun to pray unto Yod – Hay – Vav – Hay  
Now that we have Purim  
For the Jews to enjoy  
How's it hanging with all the noise

Yod – Hay – Vav – Hay  
It's fun to pray unto Yod – Hay – Vav – Hay  
Haman, Haman, Mordecai won't kneel down  
Haman, Haman, Esther now has the crown

Yod – Hay – Vav – Hay  
You won't find in Megillah: "Yod – Hay – Vav – Hay"  
No man, Haman  
Just get over yourself  
Haman, Haman  
Put your plans on the shelf

Yod – Hay – Vav – Hay  
And just know there is Yod – Hay – Vav – Hay  
Haman, Haman, you tried to kill the Jews  
Haman, Haman, now hang out with the blues
